VICTORINOX 1884 - 2021

MORE THAN 130 YEARS OF EXPERIENCE AND LIVED SWISS TRADITION

“A Victorinox product is a companion for life. Since our company was founded in 1884, we have always settled for nothing less than the highest quality. When you hold a Victorinox product in your hand, you can feel this immediately. So it should come as no surprise that they are often chosen as corporate gifts.

They are a symbol of generosity and bring pleasure wherever they go. I am delighted to invite you to take full advantage of this enduring statement of quality and to benefit from our more than 130 years of company history and over 100 years of experience in manufacturing corporate gifts.”

A handwritten signature in black ink, reading 'Carl Elsener'.
